EMPLOYMENT OPPORTUNITY

Nurse Practitioner (New Position)

We provide primary health care through a range of options including prevention, assessment, diagnosis and treatment. Our team includes health professionals, educators and support workers representing both traditional Anishinaabe and contemporary models of care, and uses holistic health and community development concepts.

The program consists of several Nurse Practitioners who act as part of the Clinical Services Team and report to a Group Lead. The Nurse Practitioner functions independently within the Extended Class scope of practice, and in collaboration with members of an interprofessional team, which includes other health professionals, educators, and community workers. Providing care without immediate support of professional resources, equipment and facilities in an interprofessional and culturally diverse setting and over a large geographic area is a constant challenge.

QUALIFICATIONS:

- Post Secondary Degree in Nursing, Extended Class License, and current registration with the College of Nurses of Ontario;
- experience in a culturally diverse community based setting and understanding of holistic health and well being;
- experience and demonstrated ability to work in an inter-professional team;
- demonstrated ability to communicate effectively with a broad range of people including healthcare professionals, traditional people, upper management, and community members
- demonstrated cultural competencies and experience working in an Anishinaabe organization; ability to understand and speak Anishinaabemowin a definite asset;
- willingness and ability to travel, with significant community-based activity;
- valid drivers' license and own vehicle required; copy of current drivers' abstract required
- current criminal records check required
- commitment to ongoing training and professional development relevant to job requirements
- positive attitude and capacity to act as a healthy lifestyle role model

Salary is per collective agreement
